ASSAM UNIVERSITY: AN INTRODUCTION

Assam University, Silchar, is a Central University established by an Act of the Indian Parliament (Act XXIII of 1989), and came into existence in 1994. Situated in the Barak Valley of southern Assam, the University is nestled in a sprawling 600-acre campus at Dargakona, about 23 km from Silchar town. In 2007, Assam University opened a 90-acre satellite campus at Diphu in the Karbi Anglong Hills District of Assam, thereby making quality higher education accessible to a wider section of society. With students' strength about 3445 in the Silchar campus and 711 in Diphu campus, the University is a veritable melting pot of diverse communities, ideas and creativity. Apart from the two campuses of the University, there are 62 affiliated and permitted colleges in the five districts of south Assam, which together constitute the jurisdiction of Assam University and there are more than 37,499 students enrolled in the affiliated colleges.

Since 1994, Assam University has expanded both in size and reputation. Today, there are 36 postgraduate departments under 16 Schools of study in the Silchar campus and 10 departments in Diphu campus, offering a wide range of programmes geared towards equipping students and research scholars with knowledge, skills, experience and confidence, the benefits of which they can reap well into the future. Besides, there are several Centres of Study in the University dedicated to research of high quality. Recently, the University has developed a strategy for enhancing the range of pedagogic uses of technology. As part of this strategy, the University is in the process of gradually turning all its classrooms into state-of-the-art ones enabling teachers to teach using a wide variety of media. There's no gainsaying that in the last twenty two years of its relentless pursuit of academic excellence, Assam University has made giant strides in providing better academic atmosphere and improved infrastructural facilities.

THE LOGO

The Logo has a book at the base. Knowledge in the form of flame of light is emerging from the book to lead to modern technology to ensure human development. In the background, there are hills and plains representing the Barak Valley and the hills districts. All the elements are ultimately put in a wheel of progress, so that the University acts as an instrument of change and development for the area within its jurisdiction. The promise of progress is represented by the Rising Sun which is shown as emerging across the symbol of technological growth. 'Assam University, Silchar' and 'Pratyayabodhakritirupapattaye' (in Devanagari) are inscribed in the Logo.

OUR MOTTO

The Motto of the university is "*Pratyayabodhakritirupapattaye*" meaning 'Conviction, Confidence and Creativity'.

OBJECTIVES OF THE UNIVERSITY

The objectives of the university have been laid down in the Act as follows:

- To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life to make provisions for integrated courses in Humanities, Natural and Physical Sciences and Social Sciences in the educational programmes of the University;
- To take appropriate measures for promoting inter-disciplinary studies and research in the University;
- To educate and train manpower for development of the State of Assam; and
- To pay special attention to the improvement of the social and economic conditions and welfare of the people of that state, their intellectual, academic and cultural development.

Vision

Assam University aspires to translate the multidimensional collective dream of the community of the region into reality.

Mission

- To fulfill the long-cherished aspirations of the people of Assam especially to the Barak Valley to have a national level higher education institution par excellence and contribute substantially in the nation building exercise.
- Will devote to teaching, learning and multi-disciplinary research upholding simultaneously equity, access and excellence so as to be part of the globally acceptable higher education standards.
- Contribute to enhance Gross Enrolment Ratio (GER) and hence to national welfare sans prejudice, discrimination and bias based on gender, caste, community, regional and linguistic barrier.
- Develop the regional cultural richness and take it forward to interact with national cultural mosaic.
- Help to create an egalitarian society by developing thought leaders with a difference in all fields of educational and research activities.
- Encourage students to respect all ideas, think and discuss with freedom of expression as a major vehicle of transformation leading to creativity with self-reliance.
- Connect with the local population and contribute to its development through outreach programmes and other initiatives.

2016-17

From the Desk of the Vice Chancellor

With the pledge of placing Assam University as an icon in the educational map of India our efforts are going on in full swing. We have identified the areas in which our university need improvement and the entire system is working day and night to overcome the short comings and place the university in the path of excellence.

The University celebrated its Foundation Day on 21st January, 2017 with lot of enthusiasm and commitment. The XVth Convocation of Assam University was organized on the 15th of March, 2017. Other important events of national importance were also celebrated in the university. As a part of the “*Swachh Bharat Abhiyan*” several dustbins were installed in the university campus. The Assam University Sports Board organized inter-college Cricket Tournament in December, 2016. The health centre of the university conducted several health awareness programs on Anaemia, Mother and Child Health, Tuberculosis, prevention of infectious diseases in the university and in nearby villages. Two hundred and thirty students were awarded with Ph.D degree from the university in the year 2016-17. As many as 25

Annual Report 2016-17

teachers visited abroad on different academic assignments and currently 51 research projects funded by external agencies are ongoing in the university.

The Department of Urdu has become functional at Silchar Campus in the academic year 2016-17.

As a part of our digital initiative, the admission process to the UG/PG/Integrated Courses as well as the M. Phil and Ph. D. program is made entirely online. The online file movement and tracking system that started the previous year is running successfully. Both of which were developed by the programmers of the Computer Centre. Also the process of feedback collection from the students on curriculum by IQAC is online now.

Internet connectivity in both our campuses has been improved. The main campus is now Wi-Fi enabled. The university has sustained to remain as a tobacco free as well as a plastic free zone.

The Annual Report of 2016-17 is a reflection of our achievements and constraints, and to express our commitment to meet the demands of the changing national educational policy.

CHAPTER THREE

Departmental Activities

ABANINDRANATH TAGORE SCHOOL OF CREATIVE ARTS & COMMUNICATION STUDIES

Department of Mass Communication

Year of establishment : 1996
Head of the Department : Prof. G.P. Pandey

Research and Developmental Activities

Department has been able to bring virtually every aspect of communication discipline under scanner for the purpose of research. It has been an earnest endeavour on the part of the department to unearth the opaque areas of the field of communication. The teachers in the department are alive to the problems of applicability of academic research and are trying to break new grounds in an effort to bridge the gulf between academia and the outside world in a developing society. The department harbours the hope of developing an Indian paradigm of communication research because it would be able to put the department not only on the international map but also would impart it a distinct place among the Indian universities.

The department has a policy of engaging the research scholars in meaningful activities and has already been able to employ almost 30% of its research scholars as permanent employees. The department provides a healthy library facility to its research scholars.

The department has decided to use its resources for dissemination of modern scientific knowledge to rural people through the use of traditional medium of communication and is currently holding discussion with different agencies like National Rural Health Mission, Sarba Sikshya Aviyaan Directorate to decide on the modalities of cooperation.

The department has in the last one and half year actively started the practice of bringing in professionals and internationally reputed professors from foreign universities to provide the students with an understanding of the humdrums of outside world. New projects are coming frequently and students from different parts of the country as well as abroad are turning up to enroll in Doctoral programme.

The department had the following teaching staff during the year

Professors: G.P. Pandey

Associate Professor: Charvak

Assistant Professors: Silajit Guha (On lien), Partha Sarkar, Ayesha Tahera Rashid, S.M. Alfarid Hussain, Paromita Das, Raghavendra Mishra, Charu Joshi

Courses offered: MJMC, M.Phil, Ph.D.

Department of Visual Arts

Year of establishment : 1996

Head of the Department : Dr. Nirmal Kanti Roy

Research and Developmental Activities

The Department of Visual Arts, Assam University Silchar initially started with integrated BFA and MFA courses to inculcate the visual culture of North East India through the stream of painting, applied art, print making, sculpture and History of Art. Presently the department is offering BVA and MVA specialization courses in Painting, Applied Art and Sculpture both in UG and PG level and PhD programme too.

The motto of the Department is to mingle the essence of art of the past with that of the present. The Department tries to amalgamate the folk and the indigenous traditions of North East especially of South Assam with the contemporary art practices, thus making it the major thrust area of the Department of Visual Art. The Department of Visual Art plays a vital role in nurturing the inherent creativity of the students and the social space in general.

The Department complements its academic involvement and activities by organizing seminars, workshops, special lectures, annual exhibition, study tour, field works, art fair for the academic development of the students under the regular guidance and active participation of the teachers.

The student's interactions with the visiting professionals and academicians from the reputed institutions show a diverse, democratic and liberal language of art education blended with research orientation.

The Department has conferred with the on-going project of UGC SAP(DRS-II) on Indigenous Art of South Assam with special reference to Pottery, Terracotta and Textiles.

The department had the following teaching staff during the year

Professors: Bhuleswar Mate, B. Ruma Sharma, Sivan. G

Associate Professors: Narendra T, Nirmal Kanti Roy, Abhibrata Chakravarty

Department of Computer Science

Year of Establishment : 1997

Head of the Department : Prof. Bipul Shyam Purkayastha

Research and Developmental Activities

Research and development activities in the department are mainly concentrated in the following areas: 1.Image processing, 2.Soft computing, 3.Natural language processing, 4.Wireless and mobile computing, 5.Data mining and knowledge discovery.

Annual Report 2016-17

A High Performance Computing (HPC) Lab was set up in 2015 in the Department of Computer Science by using the newly procured PARAM Shavak-Supercomputing in a Box solution from CDAC, after signing MOU between Assam University and Center for Development of Advanced Computing (CDAC), Pune, DeITY, and Government of India. The PARAM Shavak-Supercomputer system is installed and is connected to rest of the terminals in the Department for the purpose of development of computing skills, research and application development among the students and the faculty members in the domain of High Performance Computing.

The department had the following teaching staff during the year

Professors : K. Hemachandran, BipulSyam Purkayastha
Associate Professors : Pankanj Kumar Deva Sarma, Sahin Ara Begum,
Assistant Professors : Sunita Sarkar, Arindam Roy, Rakesh Kumar, Indrani Das, Prodipto Das, Saptarshi Paul, Bhagwanshay Meena, Purnendu Das, Biswa Ranjan Roy

Courses offered: i) M.Sc. Integrated Course M.Sc.(Computer Science) 5 Yrs.
ii) M.Sc. (Computer Science)-2 Yrs, iii) M.Phil. & iv) Ph.D.

Department of Mathematics

Year of Establishment : 1994
Head of the Department : Prof. Samira Behera

Research and Developmental Activities

At present, the Department of Mathematics offers M.Sc, M.Phil and Ph.D programmes. Faculties are engaged in researches in the areas of Fluid Mechanics, Plasma Physics, MHD, Operations Research, Fuzzy Optimization techniques, Mathematical modeling, Algebra, Non- Commutative Rings, Topological Dynamical Systems, Combinatorics, Additive Number Theory, Topology, Inventory Management Models, Numerical Analysis, Linear Algebra. Apart from these, the department organizes seminars, refresher courses, conferences, workshops from time to time for serving teachers, research scholars and students as well. There are departmental and NBHM library (Sponsored by NBHM, DAE, Govt. of India, Mumbai) in addition to Central library and departmental computer laboratory with a sufficient number of computers to meet the requirements of PG students and research scholars. The department has also been recognized by UGC as “SAP-DRS department” and by DST for FIST programme under which, the department has established two separate computer laboratories with adequate number of computers. In the research laboratory under SAP, high computing facilities are provided (using softwares, MATLAB, LINGO, MATHEMATICA, etc.) to keep abreast with the recent development in computer- oriented techniques. The department is running two UGC major research projects and one UGC minor research project has already been completed. In the CBCS syllabus, one project paper is accommodated in final semester course to let the students have an experience in preliminary research work which will facilitate them in their future research assignment. Last but not the least, the faculty members of the department are engaged in publishing good number of research papers in the SCI indexed journals with impact factor of National and International repute.

The Department had the following teaching staff during the year

Associate Professor: Kabari Dutta Choudhury
Assistant Professors: Samir Behera, Sanjib Sengupta, Nabendu Sen, U.S.Chakraborty, N.Jiban Singh, Naba Kanta Sarma, Sumit Saha.
Courses offered: M.Sc.-2 Yrs, M.Phil (by course work and dissertation), Ph.D.(by course work and Research work)

Department of Physics

Year of Establishment : 1996
Head of the Department : Dr. B. Indrajit Sharma

Research and Development Activities

At present, the research activities that are going on in the department can be broadly classified into three groups.

In Astrophysics and Cosmology Group, work is being done on: Cometary study, Laboratory scattering experiment for simulation of a steroidal bi-directional surface properties, other Solar System studies, Study of interstellar medium and star forming region, Astrophysical Polarization studies, High Energy Astrophysics, GTR and Gravitational optical studies, Computational Astronomy and Astronomical tools for Observation facilities, Inflationary Cosmology, dark matter, String/brane cosmology etc.

In Condensed Matter Physics Group, the major activities are: Vibrational (IR and Raman) Spectroscopic study of Ferroelectric materials, Structural Phase Transition, Bio-molecules (Resonance Raman study of metalloporphyrins), surface study, Molecular Vibrational Study using Lie Algebra, Study of Electronic devices like LED etc, Electronic Structure Calculations. Synthesis, characterization and applications of nano materials. Phase transition and Critical Phenomena of Complex Systems, Electronics and Radio physics etc.

A new group on Atmospheric Physics is working on monsoon dynamics, cloud microphysics and modelling of atmospheric processes etc.

The department had the following teaching staff during the year

Professors : Asoke K Sen
Associate Professors : Atri Deshamukhya, B. Indrajit Sharma.
Assistant Professors : Himadri Sekhar Das, Utpal Sarkar, Pradeep Kumar Shukla, A. Senorita Devi, Swarmadeep Biswas, Bidhan Mahanta, MahanandaBaro.

Department of Earth Science

Year of Establishment : 2009
Head of the Department : Prof. Nagendra Pandey

Research and Developmental Activities

The Department of Earth Science was established in November, 2009. Admission to the first batch of students for the P.G. program in Applied Geology was made in July, 2010. Ph.D. Program in the department has been introduced in January, 2013. The research interests of the faculty extend over the areas of sedimentology, geochemistry, igneous petrology, hydrogeology, remote sensing, micro-palaeontology and sequence stratigraphy. Research scholars along with their concerned supervisors are contributing research papers in different National/International journals and attending various seminars and workshops. Funded Research Projects are being carried out by faculty members.

The Department had the following teaching staff during the year

Professors : Nagendra Pandey
Associate Professors : M.Faruque Hussain
Assistant Professors : K. Krishnakanta Singh, Urbashi Sarkar

Courses offered: M.Sc. in Applied Geology and Ph.D. (with course work)

in this direction. The Department is youngest in research investigations in diversified areas of Education. Several research projects have been completed and some are still continuing. M.Ed. and M.A. both have research project work as a compulsory part of the courses. The Department has introduced four years Integrated B.Sc. B.Ed course during session 2012 to cater the need science teachers in the Secondary schools in this region. The centre for Educational Planning and Management running under the Department also launched a certification course leading to PG degree from the session 2011-12. A three week's training programme entitled "Issues and Challenges in Educational Planning and Administration" was organised by the Centre, between 18th of January to 11th February, 2016. The Department provides advice and consultancy to the Educational Institutions especially teachers education institutions in the region under the jurisdiction of the University. The Department of Education adopted Interdisciplinary, Multidisciplinary and Cross disciplinary approach in the field of Education and Pedagogy. The members of the faculty are members of several expert committees at the National and Regional levels.

DESHBANDHU CHITTARANJAN SCHOOL OF LEGAL STUDIES

Department of Law

Year of Establishment : 2004
Head of the Department : Dr. Madhumita Dhar Sarkar

Research and Developmental Activities

The Department had embedded the idea to have a better curriculum and innovative approach to develop excellent legal skills amongst the students studying law in one of the remote areas of India. B.A.LL.B. (Hons.) course was introduced in the year 2004. Subsequently in the year 2011, the postgraduate course in law i.e. LL.M. was introduced in the department. Further, in the year 2014, a Ph.D. curriculum was introduced. At present, 25 students are actively engaged in research activities under the supervision of different faculties in the department. Within the last ten years, the Department of Law has emerged as an important centre of legal studies and research catering the needs of students pursuing legal education not only in Barak Valley, but also for the entire eastern region. The department in near future shall emerge as an outstanding nerve centre of legal studies and research in this region. The department has also adopted various innovative techniques and methods both for theoretical and clinical legal education.

The Department had the following teaching staff during the year

Professor : Subash Chandra Singh
Associate Professor : Rashmi Ranjan Mishra, Madhumita Dhar Sarkar

HARGOBIND KHURANA SCHOOL OF LIFE SCIENCES

Department of Biotechnology

Year of Establishment : 2004
Head of the Department : Dr. Supriyo Chakraborty

Research and Developmental Activities

The Department of Biotechnology, Assam University, Silchar, Assam offers MSc, MPhil and PhD programs in Biotechnology. The 2-year Master's program of the department was initiated in July 2004. The Choice Based Credit System (CBCS) recommended by UGC was adopted from July 2010 onwards. Core courses as well as advanced courses like genetics, molecular biology, biochemistry, immunology, microbiology, bioinformatics, genetic engineering, plant biotechnology, animal biotechnology and medical biotechnology are offered as major courses. MSc final semester students undertake a short term research project work for the completion of the program. The main goal of the department is to impart hands-on practical teaching in six different laboratories viz. 1. Biochemistry 2. Animal Cell Biology and Immunology 3. Molecular Biology 4. Microbial Technology 5. Plant Biotechnology and 6. Bioinformatics and Genomics. The departmental faculties are actively involved in research in diverse areas namely molecular biology, cancer biology, plant biotechnology, immunology, DNA barcoding, genomics, genetics and bioinformatics. The department has several research projects on cancer genomics, DNA barcoding, methanogenomics, molecular characterization of nitrogen fixing bacteria, plant biotechnology, etc. The Department is equipped with a small animal house, and state of the art equipments such as deep freezer (-20 & -80), gradient and personal thermal cycler, real time PCR equipment, gel documentation system, animal cell culture and plant tissue culture facilities, DGGE, automated DNA sequencing machine etc. and much more. These facilities are available to MSc, MPhil and PhD students. The students actively participate in the seminars and workshops conducted at university, state and national level from time to time. They are also encouraged to participate in various co-curricular activities at university level.

The Department had the following teaching staff during the year

Professors : Sankar Kumar Ghosh, Pranab Behari Mazumder
Associate Professors: Supriyo Chakraborty
Assistant Professors : Mahuya Sengupta, Yashmin Choudhury, Ravi Rajwanshi, Munish Kumar

Courses offered: M.Sc, M.Phil, Ph.D and D.Sc.

Department of Life Science & Bioinformatics

Year of Establishment : 1996
Head of the Department : Prof. Sarbani Giri

Research and Developmental Activities

This department meets the national and regional needs for interdisciplinary teaching and research through its two year master degree courses in Life Sciences and M.Phil./Ph.D. programme. Currently the department has four Professors, three Associate Professors, Six Assistant Professors and five technical staffs along with 110 students at P.G. level and more than 55 numbers of research scholars both in Ph. D and M. Phil levels. The faculty members are engaged in research activities in diverse fields as mammalian cell and molecular Biology, health science, Plant Molecular Biology, Plant functional genomics, computer aided drug designing, natural product, biodiversity, plant taxonomy, toxicology, reproductive biology and agricultural research. The department made pioneering efforts in formulating syllabi that takes care of all modern and common subjects in first year of M.Sc . Programme. In the second year, students get exposed to the frontier areas in plant and animal sciences depending upon their previous courses. The faculty member are engaged in research activity in diverse fields of Life Science and offers Nine (09) special paper in third semester as optional. The faculty members have received international experiences from institutions like NIH, USA, Hiroshima University, RIBRM, Japan, IPSR, Okayama University, Japan, Gifu University, Japan, Shizuoka University, UC Berkeley and University of California, Riverside, USA, University of North Carolina, Chapel Hill, USA, Oklahoma state University, Stillwater, USA, University of Dusseldorf, Germany, Liverpool John Moores University, UK and Chicago University, USA etc. All the faculty members are actively involved in research in their respective fields in collaboration with various national/international institutes. The faculty members have published papers in reputed International and National Journals. The Department has organized several International conferences, National symposiums & workshops to disseminate the knowledge in biological sciences. The students of this department are placed in various academic and research Institutions.

Department of Life Science and Bioinformatics is the pioneer department in the University to be recognized under UGC-SAP programme in 2007 and subsequently upgraded to UGC SAP DRS-II in the year 2013. Department of Life Science & Bioinformatics has been recognized under DST-FIST Programme in 2008 for infrastructure development. Under the initiative of faculty members of Department of Life Science & Bioinformatics, DBT. Govt.

Annual Report 2016-17

of India has established two institutional facilities like Bioinformatics Centre and Biotech Hub in the University. Department has received various International and National Project funding's from DBT, DST, UGC, CSIR, JSPS, NRF, NTRF, SERB etc.

The Department had the following teaching staff during the year

Professors : Devashish Kar, Sarbani Giri, M. Dutta Choudhury, S.K. Panda
Associate Professors : Aniruddha Giri, Meenakshi Bawari, Sanjeev Kumar
Assistant Professors : Suchismita Das, D. Bhattachryya, A. Das Talukdar, Anupom Borah, H.K. Prasad, S. Roy Choudhury

Courses offered: M.Sc in Life Science, M.Phil, Ph.D.

Research and development Activities

The Department of Microbiology established in 2009 has been imparting training at Basic and applied branches of microbiology along with molecular biology, biochemistry and bioinstrumentation for M. Sc, M. Phil and Ph. D students. The research interests of the Faculty cover thrust areas like

1. Plant-microbe interaction, bioremediation, PGPR and other aspects of soil microbiology
2. Virology, zoonosis and public health
3. Medical and molecular microbiology with special reference to antimicrobial resistance
4. Molecular parasitology

The department is well equipped with sophisticated instruments like Thermal cycler, Fermenter, pulse field gel electrophoresis apparatus, denaturing gradient gel electrophoresis apparatus and realtime PCR machine. A number of research Projects sponsored by UGC, DST, DBT, CSIR have been undertaken by the faculty members. The department has collaboration with reputed institutes of India.

Research and development Activities

History Department is one of the oldest departments in the Assam University. It was established in 1994 as a part of the pilot departments when the University was established in the same year. With few faculties the Department was gradually growing and today it got nine faculty members in all (4 Professors, 2 Associate Professors, and 3 Assistant Professors). Apart from teaching and supervising researches, the faculties are actively engaged in research activities; individually as well as undertaking projects under some funding agencies like UGC, ICHR, and so on. Some faculty members are working as fellow at certain research institutes. Some of the faculties have also visited abroad for research related works. Besides, the Department also regularly organized seminars, symposia and workshops. Faculty profiles will show that most of them have for more than once attended and presented papers at various

regional, national and international seminars and conferences and few others had chaired sessions. Some faculty members had also given lectures and talks at various orientations, refreshers and other courses provided by certain institutes whereas one of them have attended orientation course. One of the faculty members had done Post-Doctoral fellow. Presently the Department has 24 active research scholars working on different themes.

The Department designed the curriculum with the objective to train PG students thoroughly in all branches of the discipline focusing on classical themes and recent development. The curriculum covers theoretical, conceptual and empirical aspects of the discipline. It provides the students with necessary conceptual awareness to undertake further specialized studies and research.

The faculty member and research scholars of the department are engaged in research on issues mainly relating to North East India. Major areas of study have been

- Governmental & Political Processes in South Assam
- Human Rights & Insurgency
- Local Administration in South Assam
- Political Participation and Empowerment of Women
- Ethnicity and Politics of Identity
- Conflict and conflict resolution

Department of Hindi

Year of Establishment : July, 1998
Head of the Department : Prof. S.P. Singh Chauhan

Research and Developmental Activities

The Department is situated in a university which has **unique feature** of being in a linguistically and culturally diverse milieu. M.A. Hindi students of the department are from Bhojpuri, Bengali, Manipuri, Bodo, and Assamese speaking societies. Hindi as Official and National language has a definite role to play in this remote area.

Before opening of Hindi department in Assam University there was no system of Hindi teaching in this region at higher level. At present there is not only P.G. teaching is going on at university level with Hindi and non-Hindi speaking students but department is also working as nodal centre in Hindi teaching in affiliated colleges. Teaching and research in Hindi at university level in itself is an achievement in this remote region of Northeast India (i.e. Barak Valley). This has not only helped to integrate the people of this region with wider Hindi linguistic and literary scenario but it has also helped in establishing dialogue between Hindi and different societies, their culture, language and literature which is significant for national unity and integrity while developing knowledge.

In this background Thrust area of P. G. teaching is Hindi Literature with special emphasis on contemporary Hindi Literature and its interaction with other Indian Languages and literature. M. Phil. & Ph.D.- Research is being done on Historiography of Hindi Literature, Hindi Poetry, Fiction and Hindi language.

The Department had the following teaching staff during the year

Professors: Satya Pal Singh Chauhan

Department of Indian Comparative Literature

Year of Establishment : 2015

Head of the Department : Prof. Suman Gun

Research and Developmental Activities

The department of Indian comparative literature starts functioning from this year (2015) with an aim to try to set good standards of teaching and research from the beginning. Comparative literature is one of the most significant disciplines of our age of multiculturalism. It will educate students about the interplay of language and culture and it will bring a keener sensitivity to the language, culture and people of our region.

The department offers PG, M.Phil and Ph.D. Programmes of study. The major focus of the teaching and research programmes in the department is on areas like inter-Indian relations ---Bhakti literature, Indian regional literature, history of Indian literature & culture, epic literature, impact of Sanskrit & European literature on literature of Indian languages, Tagore's songs & poetry etc.

There is a decent scope for the students passing out of this department to find placement in universities, media houses & other educational institutions & service organizations in India and abroad.

SWAMI VIVEKANANDA SCHOOL OF LIBRARY SCIENCE

Department of Library and Information Science

Year of Establishment : 2009
Head of the Department : Dr. Manoj Kumar Sinha

Research and Developmental Activities

Research programme leading to M. Phil. and Ph.D. Programme has been introduced in the department from January 2013. In 2014 altogether we have admitted five students for IPP Course Work. Out of which, 02 Research Scholars (under the Supervision of Dr. Manoj Kumar Sinha, Associate Professor) have been provisionally registered for Ph.D. Programme and 01 Research Scholars have been registered for M. Phil. Programme.

During 2015-16 session, as per availability of seats, 03 students have been admitted in IPP Course Work who have appeared in May 2016 examination and 01 research scholars has been provisionally registered for Ph.D. programme in March 2016 and 01 research scholar has been provisionally registered for Ph.D. and 01 research scholar has been registered M.Phil. in September 2016.

During 2016-17 three Ph.D. scholars have been awarded Ph.D. degree and one M. Phil. Scholar has been awarded M. Phil degree. Besides that three M. Phil Scholars have submitted M Phil Dissertations for examination as per details given below:

TRIGUNA SEN SCHOOL OF TECHNOLOGY

Department of Agricultural Engineering

Year of Establishment : 2006

Head of the Department : Dr. Prasanna Kumar G.V.

Research and Developmental Activities

The Department of Agricultural Engineering offers the courses that deal with the application of engineering principles and scientific technologies for sustainable food production, and all along the food production to consumption chain. The course structure and syllabus for the UG and PG programmes have been designed to create skilled and technically sound human resources to cater the engineering needs of farm mechanization, irrigation and drainage, soil and water conservation, post harvest processing of crops, value addition, renewable energy, and appropriate design and utilization of aquaculture resources. The laboratory infrastructure has been developed to impart the essential practical knowledge including the application of computers and IT for the design, simulation, modeling, remote sensing etc. Two industrial trainings form a part of the UG programme that aims to provide the industrial exposure and enhancement of technical know-how and skills. The Department is actively involved in multi-disciplinary research with thrust areas as given below:

The thrust areas of research of the Department are:

Soil and Water Conservation Engineering
Ground Water Hydrology
Watershed Management
Farm Implements and Machinery
Waste recycling and Bi-product Utilization
Bioprocess Engineering
Tea Processing Technology
Aqua cultural Engineering

Water Resources Development and Management
Rainwater Harvesting
Sensing and GIS
Renewable Sources Energy and Utilization
Mechanization of Horticultural Crops
Food Engineering and Food Industry Management
Climate Change and Climate Resilient Agriculture

Annual Report 2016-17

The Post Graduate students (M. Tech. Final year and Research Scholars) are involved in active research with other institute of repute and through oneyear major project work as a part of their curriculum.

World Bank is supporting the department along with other departments of the school through the project Technical Education Quality Improvement Programme (Teqip) Phase-II under the guidance of MHRD, Govt. of India.

The Department had the following Teaching Staff during the year

Professors: Prasanna Kumar G.V.
Associate Professor: L.N.Sethi, Sudipto Sarkar
Assistant Professors: Ajit Tiwari, M.Padhiary, Nitin Kumar, Avinash Kumar, C.B.Khobingali, Saikat Roy, Anomika Yadav (LeaveVacancy (EOL), Jolvis Pou

Courses offered: (i) B. Tech. in Agricultural Engineering
(ii) M. Tech. in Water Resources Development and Management
(iii) M. Tech. in Food Process Engineering
(iv) Ph. D. in Agricultural Engineering

Year of Establishment: 2006

Head of the Department: Tapodhir Acharjee

Research and Developmental Activities

- The department has started the PhD Programmed in the year 2011 and continuing this year also.
- The faculties and students of Department of Computer Science and Engineering are presently working in the following research areas:
 - VLSI Design,
 - Fixed and Wireless Networks,
 - Image Processing,
 - Pattern Recognition,
 - Semantic Web,
 - Information Retrieval
 - NLP
 - Quantum Computing
 - Network-on Chip
 - Fuzzy Logic
 - Network Security
- Five research projects (sponsored by Department of Electronics and Information Technology, Ministry of Communication & Information Technology, Govt. of India and Department of Science & Technology, Ministry of Science & Technology, Govt. of India) have been taken care by the faculties of the department.
- Along with the Ph. D scholars, the M. Tech final year students are also involved in active research through one year major project work as a part of their curriculum.
- World Bank has been supporting the Department along with other departments of the school through MHRD, GOI in terms of TEQIP-II.

Department of Electronics and Communication Engineering

Year of Establishment : 2011

Head of the Department : Dr. Debaprasad Das

Research and Developmental Activities

The department of Electronics and Communication Engineering (formerly Electronics and Telecommunication) has started the Integrated Pre-PhD (IPP) program from the academic session 2015 -16. The main research areas of the department are Emerging VLSI Technologies, VLSI design, Image and Signal Processing, and Communication Engineering. One UGC sponsored major research project (MRP) is going on under the supervision of Prof. Debaprasad Das. The department has procured –

VLSI CAD Tools:

- Industry Standard **Cadence** Frontend & Backend Design: Analog and Digital Flow,
- **Tanner EDA**(VLSI Design),

Complete VLSI Chip Design Method at 180nm, 90nm, 45nm technology nodes.

Research using ITRS technology nodes: 45nm, 32nm, 22nm, 14nm and below.

Research on Device and Interconnect using latest nanotechnologies: **SOI, FINFET, CNT**

FPGA Design: Xilinx ISE, FPGA & Embedded System Kits.

SUSHRUTA SCHOOL OF MEDICAL AND PARAMEDICAL SCIENCES

Department of Pharmaceutical Sciences

Year of Establishment : 2010
Head of the Department : Dr. Supratim Ray

Research and Developmental Activities

The Department of Pharmaceutical Sciences has been established in the year 2010 and started functioning from 2011 by admission of first batch of students. The Department is presently lodged in a temporary building. Due to unavailability of proper facility, research activities within the Department premises are minimal. Nevertheless, teachers are pursuing research collaborating with various other Universities. In the period between 01-04-2015 to 31-03-2016, the Department engrossed itself towards works related to getting the final affiliation of the Pharmacy Council of India (PCI). In the executive committee (EC) meeting of the council held on 28th and 29th February, 2016 at Bhubaneswar, Odisha, the Department has been considered for the approval of its Degree course from 2011-2012 to 2016-2017 u/s 12. The final approval for the same will be ratified by the central council of the PCI. At present, the department is running only undergraduate course and the first batch of students has already passed out. In future PG courses will be introduced which will help to carry out research work. Considering current scenario the department

- i) (With Anindita Chakraborty, A. Dewan and Islam) 'Layered double hydroxide (LDH) supported CuO nanoparticle catalyst for C-N cross coupling reaction of amines' paper presented in the National Conference on Recent Development and Applications in Chemical Sciences (RDACS-2016), 20th and 21st May, 2016, NIT, Agartala.
- ii) (With Anindita Chakraborty, A. Dewan and Islam) 'Metal organic frameworks (ZIF-8) supported CuO nanoparticles in catalytic Rhodamine 6G dye degradation' paper presented in the National Symposium on Advances in Chemical Sciences (NSACS-2017) on Assam University, Silchar.
- iii) (With Anindita Chakraborty, A. Dewan and Islam) 'Fe₃O₄ nanoparticles supported metal organic frameworks (ZIF-8) in ibuprofen release' paper presented in the Second International Conference on Material Science (ICMS-2017) on Tripura University, Agartala 16th and 18th February, 2017.
- iv) (With Anindita Chakraborty) 'CuO-ZnO hybrid nanostructure for catalytic peroxidase like activity' paper presented in the National Conference on Chemical Physics (NCCP-2017), Assam University, Silchar on 20th and 21st March, 2017.
- v) (With A. Dewan, Islam and Kiran Devi) 'Silver nanoparticles (Ag NPs) on MOFs@PS core-shell microspheres for catalytic hydrogenation of 4-nitrophenol' paper presented in the National Symposium on Advances in Chemical Sciences(NSACS-2017) 11th and 12th January, 2017.
- vi) (With A. Dewan and Zharul Islam) 'Antimicrobial Activity of Sulphur Nanoparticles Deposited Zn-Al Layered Double Hydroxides' papaer presented in the Second International Conference on material science (ICMS-2017) 16th and 18th February, 2017.

Sujit Kumar Ghosh

- i) 'Discoveries of Nanotechnology for the Welfare of the Mankind' paper presented in the UGC sponsored Golden Jubilee National Seminar on Discoveries in Chemistry Those Changed the World, Department of Chemistry, Dhruba Chand Halder College, South 24, Parganas, West Bengal, 22nd and 23rd November, 2016.
- ii) 'Optical Properties of the Small Metallic Particulates' paper presented in the UGC sponsored National Seminar on Recent Advances in Chemistry for Better Tomorrow, Department of Chemistry, Kashipur M. M. Mahavidyalaya, Purulia, West Bengal, 24th and 25th November, 2016.
- iii) 'Emission Behavior of Fluoroprobes near Small Metallic Particles' paper presented in the UGC sponsored National Seminar on Chemistry Today–Nanoworld to Macroworld, Department of Chemistry, Sonamukhi College, Bankura, West Bengal, 22nd and 23rd December, 2016.

Rajib Panchadhayee

- i) 'Synthesis of a Tetrasaccharide corresponding to inner core oligosaccharide of E.Coli' paper presented in the ACCT (I) Satellite Conference on Recent Trend In Carbohydrate Chemistry (RTCC-2016), Department of Chemistry, Institute of Science, BHU, Varanasi-221005, 12th November, 2016. (International)

Paritosh Mondal

- i) (With A. Dutta) 'Study the structural, electronic and binding properties of NOadsorb gold doped rhodium nano cluster: A Density functional Theory approach' paper presented in the Second International Conference on Material Science (ICMS2017), Tripura University on 16th and 18th February, 2017.
- ii) (With A. Dutta) 'Influencing the Conducting Nature of Rh doped Gen Cluster : Quantum Chemical Approach' paper presented in the National Symposium on Advances in Chemical Sciences, Assam University, Silchar on 11th and 12th January, 2017.
- iii) (With D.Sutradhar) 'Structure and Lewis acidity of Ti, Zr, Ge, Sn and Pb substituted BEA zeolites : A Density Functional Theory study' paper presented in the National Symposium on Advances in Chemical Sciences, Assam University, Silchar on 11th and 12th January, 2017.

Annual Report 2016-17

- iv) (With P.Das, A.Shyam and A.Dutta) ‘Structural, Electronic and magnetic properties of gold-rhodium bimetallic clusters: A Density Functional Theory Study’ paper presented in the 20th CRSI National Symposium in Chemistry (CRSI NSC-20), Gauhati University, on 3rd and 5th February, 2017.
- v) (With S.I.Borbhuyan and A.Dutta) ‘Density Functional Theory Study of Structural and Electronic properties of rhodium clusters adsorbed single wall carbon nano tubes’ paper presented in the 20th CRSI National Symposium in Chemistry (CRSI NSC-20), Gauhati University, 3rd and 5th February, 2017.
- vi) (With R. Goswami, A.Dutta and C.R.Bhattacharjee) ‘Synthesis of new mixed fluoro complexes of cadmium(II) incorporating amino acid as coligands’ paper presented in the 20th CRSI National Symposium in Chemistry (CRSI NSC-20), Gauhati University, 3rd and 5th February, 2017.

DEPARTMENT OF PHYSICS

Asoke Kumar Sen

- i) ‘Photometry of comet 67/P’ paper presented in the European Space Agency sponsored ‘Rosetta Mission on comet 67/p’, University of Graz, Leibnitz, Austria, 21st and 24th June, 2016. (International)

Atri Deshamukhya

- i) ‘Dissipation during Inflation: The saga of warm Inflation’ paper presented in the IF-YITP GR+HEP+Cosmo International Symposium VI Organized by Centre for Fundamental Studies, Naresuan University, Thailand 3rd and 5th August, 2016.
- ii) ‘Nuclear vs Renewable energies : Looking for a Sustainable Power Scenario in India’ paper presented in the Conference on "Sustainable Development in India: Role of Science and Technology" organized by IWSA, Mumbai 2nd and 4th, December, 2016. (National)
- iii) (With U Misra and S Sharma) ‘A study of a few cloud features over different regions of India during active and break monsoon days’ paper presented in the TROPMET, 2016, Bhubaneswar Organized by Indian Meteorological Society during 17th December, 2016. (National)
- iv) (With A. M. Mazarbhuiya and H.S. Das) ‘Investigating the correlation between different parameters in an aggregate dust model’ paper presented in the 16th Electromagnetic and Light Scattering Conference (ELS-XVI) held at the University of Maryland, College Park, Maryland, USA from 19th and 24th March, 2017. (National)
- v) ‘Magnetic field geometry in some star forming clouds’ paper presented in the IUCAA sponsored North East Meet of Astronomers 2016 (NEMA-II) organised by the Department of Physics, Tezpur University held at the Tezpur University, Tezpur, Assam during 12th and 14th December, 2016. (National)

Utpal Sarkar

- i) (With D. Paul) ‘A First Principle Study of Phosphorous Doped Graphyne’ paper presented in the 61st DAE Solid State Physics Symposium (DAESSPS-2016). Organizers: BARC, Venue: KIIT University Odisha, during 26th and 30th December, 2016. (National)
- ii) (With D. Paul, B. Bhattacharya and U. Sarkar) ‘Density Functional Theory Study of Pristine and Transition Metal Doped Fullerene’ paper presented in the 61st DAE Solid State Physics Symposium (DAESSPS-2016) Organizer: BARC, Venue: KIIT University Odisha, during 26th and 30th December, 2016. (National)
- iii) (With D. Paul and U. Sarkar) ‘Adsorption of Hydrazoic Acid on Pristine Graphyne Sheet: A Computational Study’ paper presented in the 2nd International Conference on Material Science (ICMS-2017). Organizer : Dept. of Physics, Tripura University, Agartala during 16th and 18th February, 2017.
- iv) (With D. Paul, B. Bhattacharya and U. Sarkar) ‘The Influence of the Substitution of Transition Metals on Pristine C₂₀: A DFT Study’ paper presented in the 2nd International Conference on Material Science (ICMS-2017) Organised by Department of Physics, Tripura University, Agartala, during 16th and 18th February, 2017.

- i) 'Utilization of Natural Resources through Indigenous Technology as A Probable Way to Ameliorate Rural Poverty: A Study on the Karbi Tribal Group of Assam' paper presented in the 104th Indian Science Congress organized by S. V. University, Tirupati on 3rd and 7th January, 2017. (National)
- ii) (With Bamonkiri Rongpi) 'Significance of Non-Timber Forest Products in the Animistic religious practices of the Karbis of Assam' paper presented in the DST Sponsored National Conference on Current Issues in Non Timber Forest Products (NTFPs) 22nd -23rd November 2016, Department of Life Sciences and Bio Informatics, Assam University, Diphu campus.
- iii) (With Bamonkiri Rongpi) 'Preservation of Karbi Folklore through Cinematography: Problems, Prospects and the Way Ahead' paper presented in the ICHR sponsored National Seminar on Unexplored History of The Karbis in Northeast India Past and Present Perspectives organised by Department of History Assam University, Diphu Campus on 6th and 7th September, 2016.

DEPARTMENT OF PHYSICS

Ranjit Singha

- i) (With Bhaskarjyoti Bodo, Pradip Kumar Kalita and Gunjan Patwari) 'Structural and optoelectronic properties of glucose capped Cu doped ZnO/Zn(OH)₂' paper presented in the Second International Conference on MATERIAL SCIENCE (ICMS-2017) held at Department of Physics, Tripura University on 16th and 18th February, 2017.
- ii) (With Ranjit Singha and Bhaskarjyoti Bodo and Subhajit Chakraborty) 'Structural and Optical Characterization of Chemically Synthesised Nanoclusters' paper presented in the National Seminar on Advances in Material Science held at Department of Physics, Gauhati University on 24th and 25th March, 2017.
- iii) (With Ranjit Singha and Bhaskarjyoti Bodo) 'Structural and Optical Characterization of Chemically Synthesized CdS:Cu Nanoclusters' paper presented in the 1st International Conference On Nanoscience and Nanotechnology (Icnan' 16) organised By Centre for Nanotechnology Research Vit University, Vellore, India on 19th and 21st October, 2016.
- iv) (With Bhaskarjyoti Bodo) 'Synthesis and Characterization of Water Soluble ZnS:Cu,Mn co-doped nanoparticles: Effect of Molar Concentration' paper presented in the 1st International Conference on Nanoscience and Nanotechnology (Icnan' 16) organised By Centre for Nanotechnology Research, VIT University, Vellore, India 19th To 21st October, 2016.

Subrata Hazarika

- i) (With Subrata Hazarika) ‘Multiple Filamentation of super Gaussian beam in Chalcogenide glass and role of Noise’ paper presented in the 25th DAE-BRNS National Laser Symposium(NLS-25) held at KIIT University, Bhubaneswar on 20th and 23rd December, 2016.
- ii) (With Abhijeet Das and Subrata Hazarika and Chironjit Hazarika) ‘Multiple Filamentation Due to Variation in Beam Ellipticity of an Elliptical Gaussian Beam in Fluoride Glass Medium’ paper presented in the Xth Biennial National Conference of Physics Academy of North East, Shillong, 10th and 12th November, 2016.

DEPARTMENT OF COMMERCE

Ratan Borman

- i) (With Sri Mohanlal Sarmah) ‘Corporate Social Responsibility Practices of Oil India Limited, Duliajan’ paper presented in the Corporate Social Responsibility: Sustainability and Development; UGC Sponsored National Seminar, CKB Commerce College, Jorhat, Assam on 21st and 22nd October, 2016.
- ii) (With Sri Prodip Gogoi) ‘Estimation and Analysis of Tourist Satisfaction: A Study on Selected Heritage Destination of Sivasagar, Assam’ paper presented in the ICSSR sponsored National Seminar on Tourism Development of India: Problems and Prospects, Diphu Govt. College, Diphu, Assam during 21st and 22nd December, 2016.

Ayekpam Ibemcha Chanu

CHAPTER TEN

University Finances

SCHEDULE -23 : SIGNIFICANT ACCOUNTING POLICIES ASSAM UNIVERSITY, SILCHAR

SCHEDULE -23: SIGNIFICANT ACCOUNTING POLICIES

1. BASIS FOR PREPARATION OF ACCOUNTS:

- 1.1. Assam University is a Central University established in 1994 under an Act of Parliament (Act XXIII of 1989). It is substantially funded by Government of India. The Accounts are prepared in accordance with the principles and procedures laid down by the Ministry of Human Resource Development, Government of India in the New Format of Accounts, prescribed for centrally funded educational institutions, on accrual basis, duly in compliance with applicable Uniform Accounting Standards (UAS).

2. REVENUE RECOGNITION AND ACCOUNTING:

- 2.1. All revenues and expenses are accounted for on accrual principle with necessary provisions for known liabilities except for the followings:
- (a) The Fee collected from the students are accounted for on cash basis;
 - (b) The sale of admission forms are accounted for on cash basis;
 - (c) Receipts of interest on House Building Advances are accounted for on recovery basis;
 - (d) Interest on savings bank accounts are accounted for on cash basis; and
 - (e) Expenditure on charges prepaid except subscription of journals, are accounted for on cash basis.

3. TRANSFER TO THE CAPITAL FUND:

- (a) Assets created out of Earmarked/Designated Funds where the ownership of such assets are vests with the University are accounted for by transferring the amount to the Capital Fund and correspondingly merged with the Fixed Assets of the University. Depreciation is charged at the rates applicable to the respective assets.

4. FIXED ASSETS AND DEPRECIATION:

- 4.1. Fixed Assets are stated at cost of acquisition including all direct expenses related to acquisition and installation. Depreciation is provided on the fixed assets under "Straight Line Method" (SLM) method at the rates prescribed by MHRD in new format of Account guidelines.
- 4.2. Fixed Assets of the University are acquired out of the Grants received from the Government of India. Grants utilized for acquisition of Fixed Assets are accounted for by transferring the amount to the Capital Fund and correspondingly merged with the Fixed Assets of the University.
- 4.3. Depreciation is provided for the whole year on additions during the year as per guidelines of MHRD.
- 4.4. In the Books of Accounts the cost of acquisition of assets is shown to its full value and the accumulated depreciation thereof is depicted separately.
- 4.5. As per guidelines of MHRD, the assets individual value of each of which is Rs.2000/- or less (except Library Books) are treated as Small Value Assets, 100% depreciation has been provided leaving a residual value of Re.1/- exhibited in the Schedule -4 : Fixed Assets in order to have physical verification.
- 4.6. Capital Works in Progress are stated at cost, incurred relating to assets in progress.
- 4.7. Depreciation on Tangible Fixed Assets is provided on Straight Line Method at the following rates:

Sl No.	Assets	Rate of Depreciation (in percentage)
1	Land	0
2	Buildings	2
3	Roads & Bridges	2
4	Tube Well & Water Supply	2
5	Sewerage & Drainage	2
6	Electrical Installation & Equipment	5
7	Plant & Machinery	5
8	Scientific & Laboratory Equipment	8
9	Office Equipment	7.5
10	Audio Visual Equipment	7.5
11	Computers & Peripherals	20
12	Furniture, Fixture & Fittings	7.5
13	Vehicles	10
14	Library Books & Scientific Journals	10
15	Campus Development	10
16	Others	10

5. INTANGIBLE ASSETS :

- 5.1. Software and E-Journals purchases are treated as Intangible Asset and depreciation at the rate 40%, as per guidelines provided in Schedule – 4: Fixed Assets.
- 5.2. Intangible Assets (Software) acquired on or before 31.03.2013 were shown and depreciated as “Computer/Peripherals”. Because of difficulty in the identification as well as determining the depreciated value of these Intangible Assets, the Intangible Assets (Software) acquired before 31.03.2013 are still shown and depreciated as “Computer/Peripherals”. But Intangible Assets (Software) acquired from 01.04.2013 are amortised as per the Accounting Policy.

6. INVENTORIES :

- 6.1. Inventories comprising of chemicals, glassware, stationery, consumables and other stores are treated as revenue expenditure. The value of Stock as on 31.03.2016 ascertained from the respective Departments excluded from the expenditure and the closing stock exhibited in Schedule - 7: Current Assets as per guidelines. Costs of inventories are determined on FIFO method of Inventory Valuation.

7. RETIREMENT BENEFITS:

- 7.1. Short term employee benefits are charged off in the year in which the related service is rendered.
- 7.2. Post-Employment Benefits in the form New Pension Scheme Fund are owned and managed by employees as members of these Fund. The University has no ownership on these funds. Retirement Benefits in the form of contribution to these funds are Defined Contribution Schemes and are charged to the Income & Expenditure Account as and when the contribution is due.
- 7.3. Other Post-Employment Benefits, other Long Term Benefits & Terminal Benefits are paid to the employees as and when it becomes due by charging the amount to the Income and Expenditure Account.
- 7.4. The Accounting Policy followed by the university as described above is not as per the Accounting Standard 15, “Employee Benefits” issued by the Institute of Chartered Accountants of India. The University should Actuarially determine and provide for liability in respect of these Employee Benefits. The reason for such departure is because the Assam University is situated in the North East Corner of India and there is neither any Actuarial services available in this part of India nor is any Actuary willing to come from other parts of India to do the valuation of Employee Benefits as required in the Accounting Standard - 15, “Employee Benefits”. The financial effect of such departure is not ascertainable.

8. INVESTMENTS & ACCRUED INTEREST:

- 8.1. Long Term Investments are carried at cost.
- 8.2. Current Investments are carried at lower of cost or fair value.

9. GRANTS IN AID:

- 9.1. Grant to the extent utilized towards Capital Expenditure transferred to Schedule - 1: Corpus/ Capital Fund as per guidelines.
- 9.2. Grant to the extent utilized towards Revenue Expenditure transferred to Income and Expenditure as Income of the year.
- 9.3. Unutilized Capital Grant and Unutilized Revenue Grant are exhibited in the Current Liabilities & Provisions in Schedule – 3 as per guidelines.

10. INCOME TAX:

- 10.1. The Income of the University is exempted from Income Tax as per provisions of Section 10(23C)(iii ab) of the Income tax Act, 1961. Hence no provision for income tax is made in the accounts.

11. FOREIGN CURRENCY TRANSACTIONS:

- 11.1. Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction / GOC Rates / Bank Rates as the case may be.

12. RESEARCH ACTIVITIES:

- 12.1. The Research and Development Expenditure comprises all expenditure that is directly attributable to research or development activities or that can be allocated on a reasonable and consistent basis to such activities. Expenditure on Research and Development is recognized as an expense when it is incurred.

13. CONTINGENT LIABILITIES:

- 13.1. Liabilities, which are material and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent and disclosed by way of notes to the accounts.

FINANCE OFFICER (I/C)

VICE CHANCELLOR

SCHEDULE - 24: CONTINGENT LIABILITIES AND NOTES TO ACCOUNTS

1. CONTINGENT LIABILITIES:

- 1.1 Letter of Credit established by the Bank on behalf of the University and outstanding as on 31.3.2016 is NIL.
- 1.2 No demand has so far been received from the local authorities for the University Staff Quarters and hence no provision was made in the accounts.
- 1.3 Claims against the University not acknowledged as debt is Nil.
- 1.4 Suits filed against the University are pending in various Hon'ble Courts. Financial liability, if any, in these cases are not ascertainable.

2. INFORMATION RELATING TO THE CAPACITY AND CAPABILITY OF ASSAM UNIVERSITY:

- 2.1 The information relating to the capacity and capability of Assam University are presented in the Annual Report of the University.

3. FIXED ASSETS:

- 3.1 Additions made in the year to Fixed Assets out of UGC Grant exhibited in Schedule - 4. The Assets have been set up by credit to Capital Fund as per guideline.
- 3.2 Fixed Assets purchased out of project funds have not been included in Schedule – 4, since the ownership of the property remain with sponsors.

4. PATENTS:

- 4.1 No expenditure incurred towards patent rights during 2016-17.

5. DEPOSIT LIABILITIES :

- 5.1 No unclaimed deposit amount pending more than three years credited to Misc. Income during 2016-17.

6. EXPENDITURE IN FOREIGN CURRENCY:

- 6.1 All foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount at the exchange rate prevailing on the date of settlement.

7. CURRENT ASSETS, LOANS, ADVANCES AND DEPOSITS:

- 7.1 In ordinary course, the Current Assets, Loans, Advances and Deposits have a value on realization equal to the aggregate amount shown in the Balance Sheet.
- 7.2 Accounting Standards-12 (AS-12) is mainly applicable for profit making organizations and applicability of AS-12 to a Central fully Grant-in-aided University like Assam University is not in line. However, ultimately charging depreciation in the Income & Expenditure Account and carrying forward the balance of Income & Expenditure Account to Capital Fund Account will provide the same result.
- 7.3 The details of balances in the Savings Bank Accounts with the Banks are enclosed as “Annexure A” to the Schedule of Current Assets.
- 7.4 Previous years' figures have been re-grouped and re-classified wherever necessary to make them comparable and compactable with those of the Current Year.
- 7.5 Figures in the final accounts have been rounded off to the nearest rupee as per guidelines.
- 7.6 Schedules 1 to 24 are annexed to and form an integral part of the Balance Sheet at 31st March, 2017 and the Income & Expenditure account for the year ended on that date.

8. NEW PENSION FUND:

- 8.1 As the Provident Fund Accounts and the New Pension Scheme Account are owned by the members of this fund and not by the University, this accounts were separated from the University's Accounts. A Receipt & Payment Account, an Income & Expenditure Account and the Balance Sheet of the Provident Fund Accounts and the New Pension Scheme for the year 2016-17 have been prepared and appended in the Annual Statement of Accounts of the University for 2016-17 as per guidelines.

College Development Council and Affiliated/ Permitted Colleges

The College Development Council is the Principal advisory body to the Executive Council. It performs this function through the Academic Council. The objective of the Council is, without prejudice to the generality of provisions of the Act, the Statutes and Ordinances of the University, to provide a leadership role and generally extend help, guidance and advice to the Colleges admitted to the privileges of the University.

The College Development Council (CDC) of Assam University came into being in 1996. The relevant Ordinance of the University was approved by the Govt. of India, MHRD, Department of Education vide order No. F.9-3/95-Desk (U) dated 18.12.95.

The total number of Colleges (Affiliated and Permitted), including Professional Colleges admitted to the privileges of Assam University is 61 (Sixty one) as on 31st March, 2016. The College Development Council examines the proposals from the Colleges for permission, affiliation and also forwards the proposals received from Colleges for development project in respect of physical facilities, infra-structured facilities, development of library and minor/ major research projects to the University Grants Commission.

The primary functions of the College Development Council are as following:

- (i) To provide a forum for consideration of various aspects of education in the affiliated colleges of the university with a view to continuously improve the general educational standards in the colleges;
- (ii) To assess the development needs of the colleges;
- (iii) To help the affiliated colleges to prepare developmental projects which may be financed internally by the Institutions, or which may be presented to other funding agencies such as University Grants Commission, etc;
- (iv) To submit projects to funding agencies on behalf of the affiliated colleges individually or collectively;
- (v) To assess periodically the physical facilities in the affiliated colleges with reference to the number of students and subjects taught and to make recommendations for their improvement;
- (vi) To review the examination system and suggest innovations and improvement;
- (vii) To follow up the Inspection Reports on various colleges and to suggest corrective measures wherever necessary;
- (viii) To promote and encourage co-curricular activities in the colleges.
- (ix) To perform such other functions as may be assigned to it by the Academic Council, the Executive Council or the Vice Chancellor.

There is an Affiliation Committee currently consisting of the following members to examine proposals received from Colleges to grant permission/ affiliation and opening of new Colleges/ subjects etc.

i.	Vice Chancellor, Assam University	- Chairman
ii.	Director, Higher Education, Kahilipara	- Member
iii.	Prof. Debasish Bhattacharjee, Dept. of Pol. Science	- Member
iv.	Prof. Nagendra Pandey, Dept. of Earth Science	- Member
v.	Principal, Cachar College, Silchar	- Member
vi.	Principal, T T College, Silchar	- Member
vii.	Registrar, Assam University	- Spl. Invitee
viii.	Controller of Examinations, Assam University	- Spl. Invitee
ix.	Director- CDC	- Member Secretary

The Affiliation Committee grants permission and/or affiliation to Colleges after scrutiny of the proposals received from the Colleges vis-à-vis on the report of inspection of the Colleges submitted by an Inspection Commission.

The UGC had discontinued the scheme of the College Development Council in the IX plan. However, in view of the importance of work at college level to be coordinated by the University to UGC, the post of Director, CDC was sanctioned by UGC.

ANNUAL REPORT 2016-17

All the colleges under section 2(f) & 12(B) of the UGC Act except Haflong Govt. College have been assessed by NAAC.
